

Asian University Sports Federation

Congratulation Letter

Dear Secretary General Purna Singh Bohara,
Dear friends from the South Asia

On behalf of Asian University Sports Federation (AUSF), I would like to extend my warmest congratulations on the opening of the 3rd Board Meeting of South Asian University Sports Federation (SAUSF) to be held in Nepal from 1st to 2nd February 2020.

Fortunately, I witnessed the establishment of SAUSF in 2013, which not only united all the members of AUSF in this region, but also shared the common goals to promote the development of university sports in this region. It was a great initiative, fully witness by myself, Mr Seetow Cheng Fave and Mr Laurent Briel of FISU. I am also very delighted to see that some events have been organized since then and I hope to see more events in the future.

South Asia is an important region of Asia with a large population of university students. Therefore, the work of SAUSF is very important in getting more students in this region to be involved in university sports.

Last but not least, I wish your meeting fruitful and productive. We hope to see more AUSF members from South Asia participating in AUSF events in the future.

Wish you all a Happy and Promising New Year!

Sincerely yours,

Dr. XUE Yanqing
AUSF President
